Product information

The DX4 Back Support Work Trousers are ergonomically designed and use the combination of targeted placement of dynamic 4X stretch fabrics and the back support to give maximum range of movement when working. The support reinforces the spine, supports the abdomen and lower back. The belt can be adjusted for added comfort and is suitable to be worn under or over clothing. The trousers feature a back support, a high back waistband with side elastics, ensuring protection in all working positions. Pre-bent top loading adjustable knee pad pockets, generously sized front pockets and multi-functional zip thigh pockets offer secure storage of phone, pens and tools. Triple stitching throughout for maximum durability.
