

PW74 - Dual SNR Ear Defenders

Collection: Hearing Protection

Range: Hearing Protection

Materials: ABS, TPE

Outer Carton: 10

Product information

New innovative ear defenders that offer the user to change the protection level from SNR 25dB to SNR 35dB manually when exposed to differing noise levels. Selected SNR level is clearly indicated on the ear cup for safe identification of correct attenuation.

Hearing Protection

Hearing problems occur when you are exposed to hazardous working conditions without wearing the correct protective equipment.

Hearing Protection

Hearing problems occur when you are exposed to hazardous working conditions without wearing the correct protective equipment.

Standards

EN 352-1 (SNR 35dB / SNR 25dB)

Features
