- significantly more dirt resistant thanks to an increased use of darker fabrics
 - very comfortable elastic fabric with a 4-way stretch, which provides an unparalleled freedom of movement
 - the shell fabric is very breathable and supports the regulation of the body temperature
 - water repellent with a high-quality finish
 - important UV protection for the summer months with UPF 40+
 - 1x7cm and 1x8cm wide reflective stripes
 - the high quality ironed reflective stripes reduce the weight of the trousers, reduce the need for additional seams and improve the comfort
 - modern and ergonomic fit
 - pre-shaped knees for additional comfort
 - ventilation openings with zippers
 - contrast inserts in the areas, which usually get dirty
 - reinforcements on the high-stress areas
 - adjustable leg hem with press buttons
