

PS74 - Expertbase Pro Unvented

Collection: Head Protection

Range: PPE

Materials: HDPE

Outer Carton: 10

Product information

This lightweight HDPE helmet has an unvented helmet shell for safe working near electrical hazards. Its 6-point plastic suspension harness allows for easy cleaning and the headband can be size adjusted from 52-63cm via a slip ratchet. The helmet features a comfort sweatband as well as a 4-point chin strap. Available in a variety of colour options. Accessories are available.

Head Protection

Portwest's head protection range aims to benefit our customers by combining the most up to date styles and standards in head protection, irrespective of job or location. Innovative, comfortable and lightweight helmets available for multiple uses.

PPE

Portwest Head PPE range applies the latest standards to deliver the highest level of protection. Comfortable and lightweight, the PPE range will ensure a pleasant wear, even for long periods of use. Your safety is our mission.
