Product information

WX2 Softshell Bodywarmer is made using woven stretch two layer softshell, backed with fleece and is fully lined and padded for exceptional warmth and comfort. This bodywarmer has a host of technical features including internal and external pockets, an adjustable hem and a chin guard for added comfort.

WX2

WX2™ is a new eco-conscious workwear collection. All products are constructed using GRS recycled fabrics and are available in a number of colourways allowing wearers to choose a colour to suit their professional environment.

All Weather Protection

Portwest All Weather Protection is engineered with exceptional fabrics and designs, allowing an easy transition between work and leisure. Tested to withstand the rigours of everyday wear, each garment has been designed and manufactured using the best quality materials and high technology construction techniques to ensure total satisfaction with wear after wear.
