Product information

This innovative jacket offers a water-resistant and breathable membrane softshell with installed carbon fibre heated panels to bring extra warmth and comfort to the wearer. The three heat settings are controlled by a button at the inner chest and has been constructed to allow for over branding.

Rainwear Softshell

Technical and innovative, Technik softshells use comfortable stretch woven fabrics and tight layered weaves to offer advanced Waterproof, Windproof and Breathable properties. The sophistication of Technik provides a 100% waterproof garment of unequalled strength and comfort, at the same time retaining exceptional suppleness.

All Weather Protection

Portwest All Weather Protection is engineered with exceptional fabrics and designs, allowing an easy transition between work and leisure. Tested to withstand the rigours of everyday wear, each garment has been designed and manufactured using the best quality materials and high technology construction techniques to ensure total satisfaction with wear after wear.

Standards

Waterproof/Breathability (WP 8,000mm, MVP 3,000g/m²/24hr)

RoHS

EMC Directive 2014/30/EU
