Product information

A softshell jacket cut for women. Ideal for all occasions with its windproofing capability, this is a more stylish alternative to a traditional fleece. The design is flattering and the features, such as the internal chin guard, water-resistant zip security pockets and adjustable drawcord hem, are extremely practical.

Rainwear Softshell

Technical and innovative, Technik softshells use comfortable stretch woven fabrics and tight layered weaves to offer advanced Waterproof, Windproof and Breathable properties. The sophistication of Technik provides a 100% waterproof garment of unequalled strength and comfort, at the same time retaining exceptional suppleness.

All Weather Protection

Portwest All Weather Protection is engineered with exceptional fabrics and designs, allowing an easy transition between work and leisure. Tested to withstand the rigours of everyday wear, each garment has been designed and manufactured using the best quality materials and high technology construction techniques to ensure total satisfaction with wear after wear.
