

Article Datasheet

Art.No.: 89865

Article Description:

Roll-length: 50m
 Width: 48mm
 Support Material: synthetic fabric
 adhesive: rubber
 Tensile strength: 40N/cm
 Elongation at break: 20%
 Temperature resistance: 70°C
 Packing Unit: 36

- PE-coated fabric with good adhesive strength
- for universal applications
- bundling, packing, repairing, and so on
- tearable by hand
